SUBJECT: OSI's July 4th Report
(CIA/SIC - 2/50)

1. JIM and FBI go along with the majority on this specialized report as they did not participate on the Working Committee.
2. State, Army, Navy, and ABC approve of it without change and desire no IAC meeting.
3. We are still trying to get a reply from the Air Force. Even though it was marked Highly Urgent for General Cabell's attention they have so far been unable to get a reply from him.
